Fite

This years Varsity squad went the entire season without tasting victory, yet it can't be said that they got nothing out of their efforts. They learned that it wasn't always how many games you won, but instead just how you yourself played the game. Surely the thrills of the many exciting times they had on the gridiron together will be ample reward for the team's and the coach's hard work.

Fite Team Fite

Through rain, snow and cold weather, these six girls backed the Firelands football team. During the season these gals showed the team and fans just what they had learned during the summer.

One unfortunate happening for the group was near the end of the season when Ginny Northeim put her knee out of place and had to have it put in a cast. She recovered, however, in time for basketball season.

The Starting Five

"It took them too long to get started." That was the comment heard by many about the varsity basketball team this season. However the Falcons did show the fans a few very exciting moments. One was when they lead the highly favored Midview Middies until the last 20 seconds and another was when they beat a hard scrapping Amherst team by 3 points.

The 6-12 record doesn't look very impressive, but Coach Fishburn was successful in installing spirit, courage, and team play in the boys. Our thanks to Mr. Fishburn for all his patience and guidance through this season.

Cheerleaders Win Trophy

As a climax to all the work they put forth in supporting the team, the Firelands Cheerleaders captured the 1961 Lorain County Cheerleading Championship and Trophy.

These six flashy gals were elected in the spring of 1960 and after a summer of hard work they cheered for both the football and basketball teams.

This group includes two seniors, Pat Lees, Captain and Roberta Breisch Co-Captain; one junior Joanne Whitney; two sophomores, Kathy Hamilton, and Ginny Northeim; and one freshman, Marcia Lees. These girls worked under a handicap because they had no coach.

The girls admire their trophy.
